Aims:		
<ul style="list-style-type: none"> Creating new activities and developing student voice through team work and political discussion 		
Summary/description: (time length – 1hr – 1hr 30mins)		
<ul style="list-style-type: none"> The group is divided into smaller equal groups e.g. 3 groups of 5 Each group is given an equal amount of resources as listed below: Explain task: From the resources the group must decide how they are going to make a racing vehicle They have 15 mins and could be encouraged to research on the internet. Groups plan together what resources will be used and how their vehicle is going to be made. Detailed designs are made illustrating how it will function. (15 mins) Vehicles are made and decorated to represent a given continent- <i>children research on the internet (45mins)</i> A race takes place of all the vehicles over a distance of five metres (15 mins) Having reviewed the success of the racing vehicles hold a discussion on what would have happened if groups have had unequal resources? (Relate this to local community access to resources and world use of resources)
